For sleepy Cotswold heaven Westley Farm is just the ticket. Tucked away down a meandering drive at the head of the Golden Valley. Five self-catering, pet-friendly cottages, each with its own quirky charm, hidden on a 70-acre farm, surrounded by ancient woodland, rolling meadows and unrivalled views. To get right back to nature choose a yurt or a an octagonal log cabin.

With Stroud on your doorstep via the canal that runs along the edge of the farm or a 20 minute walk across the fields to the nearest pub, you have everything you need.

"22 villages in the Cotswolds" is the main tour offered by The Original Cotswold Travel Company. They'll change the times and route to suit you but normally they collect you from your hotel (or a railway station) then visit Bourton-on-the-Water, Bibury, The Barringtons, Burford, Upper Slaughter and Lower Slaughter, Fairford, Stanway and many more villages like Snowhill, Broadway and Chipping Campden with lunch at a country pub along the way. Sounds like heaven to us!

Over 80 years old, the famous Bourton on the Water Model Village - the only Grade II listed model village in the country. A model of the actual village, all built in Cotswold stone to 1/9th scale, with the River Windrush flowing under Bourton's famous bridges, the beech, cherry and chestnut trees in miniature, there's even music in the church and, of course, the model of the model!
