

ROMAN TO ROYAL...

Stay a night or two in Cirencester and spend 48 hours exploring the Cotswold towns of Cirencester and Tetbury. But don't feel limited to just 48 hours; we'd love you to stay longer.

DAY 1

Take time to visit the magnificent **St John the Baptist Church** located in the beautiful market square. On certain days, it is possible to climb the tower for panoramic views over the town and **Cirencester Park**. Allow several hours to unearth the town's amazing history in the **Corinium Museum** with its interesting exhibits and Roman mosaics, including the famous Hare. **New Brewery Arts Centre** allows visitors to see artisan craft makers in their studios and the café makes a great lunch stop. Just outside the town, the **Cotswold Water Park** is a lovely place for a stroll around the lakes or getting active – from rallying to water sports.

WHERE TO STAY

Choose from a range of accommodation in Cirencester including the luxury Kings Head Hotel, historic inn The Fleece, a range of bed & breakfasts or even a Youth Hostel located at the Barrel Store at New Brewery Arts.

HIDDEN GEMS

Visit the organic cafe at **Abbey Home Farm** and treat yourself to some home grown produce in their farm shop. Pack a picnic and head to **Cirencester Amphitheatre**, one of the largest Roman amphitheatres in the country. Make a splash at **Cirencester Open Air Pool** – great fun for children in the summer.

TOP TIP

Join a local **guided walk** to unearth the fascinating history and beautiful architecture of **Cirencester**.

Cirencester is a thriving market town in the heart of the Cotswolds. One of the most important places in Roman Britain, it now mixes old with new, including a vibrant arts centre and an amazing selection of independent shops and restaurants. **Tetbury** boasts a wealth of architectural heritage, including the iconic 17th century Market House at its centre. The town holds many events throughout the year and is famous for its royal connections.

DAY 2

Head south and follow in royal footsteps to the market town of **Tetbury**. There are some lovely shops to explore, including antiques and the **Highgrove Shop**. There is a small **Police Museum**, restored goods shed at **Rail Lands** and a beautiful **market hall** in the centre of the town. Plan ahead and visit HRH the Prince of Wales' gardens at **Highgrove** (seasonal opening) or wander through the trees at **Westonbirt Arboretum** – glorious all year round. **Chavenage House** is nearby, where many films and TV programmes have been filmed. As you drive back to Cirencester, you could stop in Bibury for afternoon tea or even catch a fish at **Bibury Trout Farm**.

HIDDEN GEMS

Westonbirt House Gardens is run by volunteers and open April to October for tours. Nearby you will find **Rodmarton Manor & Gardens** where the snowdrops provide a great show in spring.

TOP TIP

While **Westonbirt Arboretum** is famously spectacular in autumn, it is also a beautiful place to visit year round for spring blooms, live music in summer and Christmas lights. Gain a birds' eye view from the treetop walkway to explore from above.
